SUA SPONTE  
DECISION WITHDRAWING HOLDING OF  
ABANDONMENT

This is a decision, *sua sponte*, withdrawing the holding of abandonment of the above-identified application.

The application was held abandoned for failure to timely file a response to the final Office action mailed on October 19, 2004. A Notice of Abandonment was mailed on May 04, 2005.

A review of the written record indicates that the correspondence address associated with the application file was inexplicably changed on June 07, 2004. The result of this change was that the final Office action mailed October 19, 2004, was sent to an incorrect correspondence address. Accordingly, it cannot be presumed that the final Office action reached practitioner at the correspondence address of record. Therefore, the application was not abandoned in fact.

For the above stated reason, the Notice of Abandonment is hereby vacated and the holding of abandonment withdrawn. The application is restored to pending status. The correspondence address has been changed back to the correct address.

The application file is being forwarded to the Technology Center 2800 support staff for re-mailing the final Office action. The shortened statutory period for response set therein will be reset to run from the date the final Office action is re-mailed. Extensions of time are available under 37 CFR § 1.136.

Inquiries related to this decision should be directed to Clayton E. LaBalle at (571) 272-1594.
